The Stuft Difference

Cheap pizza always tastes ... cheap. The lowest price always means the lowest quality. Stuft Pizza- Homestead uses 100% California cheeses, Real italian garlic sausage from Chicago, and fresh packed tomato sauce from Stanislaus County. Of course, these may cost a bit more than fake cheese, mystery meat and powdered sauce- But you will taste the difference! Pay a little more for a pizza from Stuft Pizza- Homestead and enjoy every mouthwatering bite instead of wasting your money on that "budget" taste.
